The Mark Roth Support Fund

Legendary Pro bowler Mark Roth recently suffered a severe stroke and is just beginning the long journey of rehabilitation. The Professional Bowlers Association (PBA) and United States Bowling Congress Hall of Famer changed the sport of bowling forever during the 70's and 80's with his unique style, powerful approach and frequent domination on the PBA tour.

The massive stroke caused major complications to Mark's health, and the costs involved with the hospitalization, care and now rehabilitation are enormous. The Bowling Foundation, as the central charitable arm of bowling, is coordinating efforts to rally the industry, bowlers and fans of the sport and Roth in particular, to provide some relief to the Roth family during this difficult time. The transition from the tour to retirement has been a struggle for Mark. The Roth family needs your help. The sport/industry is coming together to take care of one of its own.

Your tax deductible donation to the Mark Roth Support Fund will go directly to the family to help defray costs involved with this tragedy. Please consider any amount you can give. Donations can be made as follows:
